

# Mosaic Art by The British Association for Modern Mosaic

---

The Arts in York Hospital are delighted to present these beautiful collections of mosaic artworks, lovingly created and donated by mosaic artists from the British Association for Modern Mosaic (BAMM).

BAMM was founded in 1999 and exists to promote, encourage and support excellence in contemporary mosaic art and to raise public awareness of modern mosaic art through exhibitions, publications, events and educational activities.

On behalf of all our patients, visitors and staff, the Arts Team would like to thank the members of BAMM who donated their mosaic artworks for the waiting areas in York Hospital's Outpatients department.
